Elmira, New York

May 20, 2019

Dear Holy Family Parents and Responsible Parties,

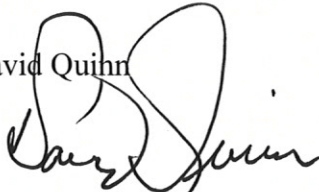

Below are the tuition charges for the 2019-2020 school year. Given ongoing investments in building improvements and computer technology, combined with salary increases for school staff, there is a modest increase in tuition for next year.

Should you feel that the below increases put a strain on family finances, as always, we encourage parents to contact the Business Office at 734-4414 and inquire about financial aid. Applications for assistance are considered throughout the year.
