June 11, 2021

Dear Holy Family Parents and Responsible Parties,

Below are the tuition charges for the 2021-2022 school year. We have waited until now to set tuition rates so we could better define the upcoming expenses as we move forward from last year's pandemic.

The below tuition rates reflect a roughly 6% increase from the current school year. As we shared in last year's notice, in spite of higher operating costs and required reduced enrollment, we limited the tuition increase for the current year given that many parents were financially impacted by the pandemic and the associated layoffs.

Student families should be aware that this minimal tuition increase requires prompt payment of 2021-2022 tuition bills. We will closely monitor parent accounts for overdue payments and quickly contact parents if tuition payments are not made on the parent selected schedule.

<b>Parish Families</b>	<b>Annual Tuition</b>	<b>Monthly Payment (10 payments)</b>
