Gertrude Hawk Candy Bars are available for pick up for anyone interested in selling. This year we have variety boxes as usual and we have specialty Variety Boxes with different types of Candy Bars in them.

### Notes from the Principal's Office

This is such a busy time of year at Holy Family School. There are so many exciting things happening in the next few weeks. We hope you can be a part of our upcoming activities.

Our Catholic Schools Week calendar of activities has been sent home. We would love to see families join us at our Mass on Tuesday, January 28. There will be a fun filled “ Minute to Win it” game held in the gym on Friday morning. I wouldn't be surprised if we needed some audience participation during the event.

Registration for 2020-2021 will start in a few weeks. You are our best means of getting the word out about our school, especially to families with pre school age children. Our program offers a great deal to students and has very flexible choices for the 3 and 4 year old programs. Please encourage families and friends with 3 and 4 year age children to pay us a visit.

Celebrations is on the calendar for April 25<sup>th</sup>. This is the largest school fundraiser of the year. We need your help in all that goes into the planning of this event. Dr. Richard Terry has done a great deal of foundational work to get the planning off the ground. We are at the point where we need more parents to step up and help out. I know some of you have helped with past Celebrations and your experience would be very valuable. Please e-mail me if you are interested. We will then set up a meeting to move forward. This event is vital to the health and well-being of Holy Family School and really takes the efforts of all of us to make it a success.

God Bless,  
Paula Smith, Principal
