Notes from the Principal's Office

Happy New Year. I hope everyone enjoyed a relaxing break and enjoyed the time with family and friends. I am looking forward to 2020 being filled with all good things for our Holy Family families, students, staff and our many friends.

Students will be starting their mid - year I-Ready assessments in ELA and Math next week.

These assessments will show student growth in specific areas of Math and ELA. Teachers will then target areas of need and work with students to meet their goals.

I am looking for someone that would be willing to help design a brochure/pamphlet geared to our preschool program. If anyone enjoys layout and design and has some time to work on this, please let me know. We are fast approaching registration time for the 2020 – 2021 school year and would like to get information out by our Catholic Schools Week celebration which is the week of January 27th.

Catholic Schools Week is scheduled for Jan. 27 – Jan. 31. You will be receiving a schedule of events next week. This year we are trying to include some type of service project each day.

Service is a big part of who we are and along with daily activities that will be fun for students, we want to emphasize showing kindness for others and practicing our faith. We are developing a special Tuesday Mass for Catholic Schools week and would love to have families join us in our celebration of Catholic Schools.

Please send students with proper winter wear. This is the time of year when the lost and found begins to grow. We are looking for a pair of boots that did not get brought home at Christmas break. Would you please check and make sure the boots your child wears home are the right pair. If possible, please label any clothing or outdoor gear.

“ January – New month, new year, new lessons, new blessings.”

God Bless,
Paula Smith, Principal
