Notes from the Principal's Office

Saints' Museum – The third grade students have been working hard in preparation for the annual Saints' Museum. Students have written biographies of a saint and prepared a costume. The Saints' Museum is Thursday, Oct. 31 from 12:30 – 1:30 in the gym. Please stop by and meet some of our saints.

All Saints Day Mass – We will be attending All Saints Day Mass at St. Mary Our Mother School on Friday, Nov. 1st. Bishop Salvatore Mantano will be presiding at the Mass. Students from K- 6th grade will be attending. Please have students in their very best uniform. If students have dress shoes they can wear that would be wonderful, but not mandatory. They could always change into sneakers after Mass. This will be a very special All Saints Day Mass.

Christmas Program – Our Christmas program is scheduled for Monday, December 9th. We will send the time home next week. This year the program will be held in the gym. The Clemens Center is too costly and scheduling too difficult with Mrs. Beckman only here one day a week. We have hired someone to work with sound and acoustic issues to help provide the best possible performance. I may be looking for decorating and "light" carpentry work. We have a very special program planned.

Science Inventory - Thank you to those who volunteered to help with the science kit inventory project. This will be scheduled after conferences are completed. I will be in contact with you and work out times that fit your schedules. Thank you for volunteering to help.

Stone Soup Mass – Our Stone Soup Mass is scheduled for Nov. 26th. When you are at the grocery store remember to pick up a few extra cans of vegetables. Students will bring in canned vegetables that week and present them at the Mass. Doing for others is such a big part of who we are and this is an opportunity for students to help make Thanksgiving a little bit better.

Dress Down Passes - I have spoken with Mr. Degman and he is fine with students using their dress down passes on gym days as long as their clothes are suitable for gym activities. Dress day passes may not be used on any day there is a Mass.

Fire Drills – We have been having a series for fire drills and our students have been doing a wonderful job. They take them very seriously and leave the building in a very orderly, quiet manner. The building is completely empty in less than two minutes. I am very proud of them.
