**Mass Choir:** A group of fifth and sixth grade students volunteered to sing at our monthly whole school Mass. They practiced for a few minutes before Mass and sounded beautiful. The next whole school Mass is our Stone Soup Mass on Nov. 19<sup>th</sup>. Please consider joining us.

**Open House** – Oct. 16, 6:30 – 7:30. Please come and have your students tour you through classrooms, art room, music room and computer lab. Stop and have a family photo taken. Students that have their passports filled out will earn a dress down pass. Hope to see you there

**Science Kit Organizers** – I am looking for people interested in helping inventory and organize our science kits and equipment. We have two classrooms that are learning labs for science and other projects. I am looking for ways to make the science materials well organized and easy for teachers to access and use. If interested or to get more information, please email me [paula.k.smith@dor.org](mailto:paula.k.smith@dor.org).

**Are you Creative ?** - We want to have our learning labs to be exciting/inviting places for students to learn. We need some extra help with making these two spaces come alive. If you are interesting, please email me - [paula.k.smith@dor.org](mailto:paula.k.smith@dor.org)
