February is wrapping up and we are counting the days until Spring arrives. We have also entered the Lenten season. Today at Mass Father Scott reminded us that is a time to pray, sacrifice, and help others. When he mentioned that students could volunteer to do extra chores at home there was some positive response, so if your child volunteers to do the dishes tonight you will understand why.

We have finished the 2nd I-Ready Diagnostic of the year. We have much to celebrate. As a school we showed significant gains in all domains of Reading and Math. I am very proud of our students, teachers and parents for all the hard work and support. We will have our 3rd diagnostic in May/June. Hopefully, we will see the positive growth continue.

There will be a Parent School Association meeting March 10th, 6:30 at Holy Family School. I strongly encourage more parents to become involved. Your ideas and input is needed.

CELEBRATION tickets are on sale. This is our largest fundraiser of the year. We need your support. This an opportunity for a special night out with great food, music and friends to share the evening with. So mark your calendar for April 25th, gather some family and friends and make an evening of it. Tickets are available at Holy Family, Faith Formation center and Ill Eagle Tap House. Let's make this the biggest success ever.
