**Note on Shorts:** Shorts may be worn during warm weather months, on gym days, and (during warm weather months) on dress down days. For boys and girls both, please be attentive to length of shorts. As a general guideline, when placing hands at one's sides, fingertips should be equal to the hem in the student's shorts.

**Special Occasions:** There are special occasions during the school year (concerts, Grandparents' Day, school photos, etc.) when students will be allowed to dress up. Appropriate attire would include dress slacks, dress shirt, and shoes; girls will be permitted to wear dresses or skirts with dress shoes. Please be sure dresses and skirts are appropriate length for elementary age children. Shoes must be safe and secured to the students' feet.

**Dress Down Passes:** Throughout the year, students will earn dress down passes. These can be used when your child would like to dress out of uniform for the day. Passes should be presented on the day they are to be used. Dress down clothing should be modest and clean. Boots are allowed on dress down days (please be sure heels are modest and safe); rules for shorts/length still apply on dress down days. Students are not allowed to wear midriff shirts or halters. Dress down passes are not to be used on gym days or Mass days.
